Dear Parent/Carer

As you know, the current Blacon High School building will be closing its doors for the very last time in July as we prepare to move into our fantastic new building in September. However, I am also aware that, in the past, many of you were students of Blacon High School and have fond, fun and entertaining memories of the time you spent here as a student and the antics you got up to.

I know that some of you are nostalgic about the old building and are sad to see it go so I would like you to let me know if you would like us to host an event to offer you one last opportunity to say goodbye.

My idea is to hold a school disco (no kids allowed!). I thought that it would be a bit of fun and, perhaps, an opportunity to have something of a reunion with your old school pals; you could even wear a school uniform if you wanted to. Also, if any of you have old photographs from your time at Blacon High School, if you let me have copies, I will create a compilation that we can play on the night.

If there is enough interest, I will organise a disco, licensed bar and food. Obviously there would be a cost but, at this stage, I anticipate this would be in the region of £12.00 - £15.00.

Have a chat to all of your friends and family and let me know if you would be interested in an event of this kind. I have no date in mind but would leave it until after the GCSE exams so it would probably be sometime in June.

Please return the slip below by **Friday 13th May 2016**, indicating your interest and the number of people who you think might like to join you for the celebration. Please note, this will not commit you to buying tickets but will give me an idea of whether I should go ahead and begin to plan and promote the event.

Thanks
