

AQA 3D Product Design Project

Next year in 3D Product Design you will design and manufacture a lamp for the Glow Company. Leading up to your final design, you will; research, design, refine, and then develop a final design.

Your coursework is worth 60% of the final mark and you will then sit an exam in year 11, which is worth the additional 40%.

Summer Project:

- Create a PowerPoint and collect images (at least 15) of products which The Glow Company sell on their website.
- Create a PowerPoint and collect images (at least 15) of the artist Ron Arad – list 10 describing words and explain how you think the work has been created.
- Create a PowerPoint and collect images (at least 15) of the artist Wassily Kandinsky – list 10 describing words and explain how you think the work has been created.
- Draw (free hand) 10 different lamp ideas influenced by your Powerpoints.
