

## WELCOME TO BLACON HIGH SCHOOL

Dear Parent/Carer

Welcome to Blacon High School. Our aim is to make your child's time here both successful and happy. This will be facilitated through lasting partnerships between parents, students and staff. Moving from one school to another is often a time of concern for both student and parent. Close links exist and great care is taken by the schools in Blacon to ensure that such transfers are always successful. In these difficult times, it is important that we provide socially-distanced transition so that the transition to high school is a safe, positive and happy experience for your child.

Please contact us by telephone to arrange a short, individual meeting with a member of our tutor team. This will be an opportunity for you to discuss any specific issues relating to your child and ask any questions you may have about transition this year.

To support transition, you should have already received your personalised log-in details to our Transition Google Classroom, filled with activities for your child to complete before September. This classroom is now open; please go to [classroom.google.com](https://classroom.google.com) and join the class using the code **ppgvpsj**. *This code will also have arrived in your Gmail inbox.*

Included in this induction pack is useful information for you and your child along with a number of forms for filling in and signing. The completion of these forms ensures we have all the necessary information to provide a settled start for your child, that we can contact you as the need arises and keep you informed of your child's progress. Please read the enclosed information carefully and ask any questions you might have when you speak with a member of our Tutor team. Please return these forms by **Friday 17<sup>th</sup> July**.

### **Arrangements for Students on Thursday 3rd September 2020**

#### 8.45am-9.15am

Please arrive at school via the student entrance on Auckland Road where you will be greeted by Miss Stephens, Year 7 Progress Leader, and your Tutors and taken into the Hall for a welcome assembly.

Please be aware that this may be subject to change in-line with government guidance. We will ensure you are kept fully updated with any changes.

The team at Blacon High look forward to welcoming you and your child in the very near future.

Yours sincerely

Miss A Stephens  
Head of Year 7
