

1<sup>st</sup> July 2020

**Years 7 – 9 Return to School – July 2020**

Dear parents/guardians,

Further to my letter from the 1<sup>9th</sup> June, thank you to all parents for responding to our survey about the return of Year 7 -9 to school. You have indicated that you do not wish to send your child back to school at this time or we have been unable to contact you following the survey. Students are being invited in for a half hour assembly school for a socially distanced briefing with myself, Progress Leaders and tutors where possible. The purpose of this is to enable us to reconnect with students, to reassure as much as we can about plans for the future and to help students start to make some sense of everything that has taken place over the last few months due to Covid19. We will post this assembly onto Google Classroom to enable all students to access the information.

We are welcoming back approximately 60% of each year group based on the survey, at allocated times. In line with the latest guidance from the DfE, Cheshire West and Chester and Public Health England, we have carefully created three bubbles in each year group, comprising of two tutor groups, so that no more than one quarter of the year group will be in at any one time. Parents have been sent their allocated time. If you would still like your child to attend, please contact Mrs Rebecca Haydock, Advanced Progress Lead on [rhaydock@blaconhigh.cheshire.sch.uk](mailto:rhaydock@blaconhigh.cheshire.sch.uk) and we will arrange for an additional bubble and time on Friday 10<sup>th</sup> July for any additional students.

<b>Wednesday 8<sup>th</sup> July</b>	Year 7
<b>Thursday 9<sup>th</sup> July</b>	Year 8
<b>Friday 10<sup>th</sup> July</b>	Year 9

All students whose parents have requested that they return to school, have been allocated to a bubble. There will be no opportunity to change bubbles once allocated in order to minimise the risk. Students may wear their own clothes on this occasion only and they must be appropriate and suitable.

Staff have also added audio resources for each subject to supplement the work available on Google Classroom and these are available for all year groups, to support students as they continue to work from home. I would ask that you encourage your child to access the resources as much as they can over the last few weeks of term.

There will be no more than 1 bubble in school at any time, which is one quarter of the year group, in line with the guidelines and they will not come into contact with the Year 10 students who have returned to school and the group of critical and key workers already in school. Students will be in the hall on chairs which are 2 metres apart to ensure social distancing. The rooms used by students in school will be cleaned each day in between meetings. Additional cleaning of surfaces, door handles and rails will take place throughout the day and students will use hand sanitiser upon arrival and departure from school.

Please find attached some additional documents to support with the return to school;

- Covid19 Checklist for parents of Years 7 - 9 returning to school
- Covid19 Checklist for students of Years 7 - 9 students returning to school
- Letter from Cheshire West and Chester and Public Health about schools reopening
- Joint Statement from Cheshire and Merseyside Directors of Public Health on the phased re-opening of schools

We also have a detailed risk assessment which outlines all of the measures taken to minimise risk and to ensure that everyone is safe in school which has been reviewed by the senior leadership team, staff and Governors. This is updated weekly and is available on the school website. Paper copies can be requested from the school office upon request. The checklists attached, are one of the ways in which we ensure that practice on the ground, supports the actions identified in the risk assessment.

I understand that this is an anxious time for parents, students and staff and would like to reassure you that the safety and well-being of everyone both in school and in our community, is our top priority. We will issue information about September as soon as we have it, as we are currently waiting for guidance due to be released at the end of this week.

If you have any questions regarding your child returning to school, please email [rhaydock@blaconhigh.cheshire.sch.uk](mailto:rhaydock@blaconhigh.cheshire.sch.uk)

Finally, I urge you to remain safe and continue to follow the Government guidelines. We are all missing the students and look forward to seeing them again very soon.

Regards,

Rachel Hudson

Headteacher
