### Spring End of Term Letter

Dear parents and carers,

As the spring term draws to a close, I would like to congratulate students on their success and engagement throughout this term. Last week we held our rewards assemblies in school to celebrate the fantastic dedication and hard work of our outstanding student, with some of those students going out on the rewards trips this week to Cineworld. I would like to take this opportunity to share some highlights from the term so far. These can be found in my report to Governor's, linked on our website:

I also wanted to let you know about some of the FREE activities available to students and families throughout the holidays. There are a whole host of Holiday Activities with Food clubs, funded by Department for Education, available across west Cheshire this Easter - which are completely free for children eligible for free school meals.

You can use their interactive map to search for various activity clubs on offer

This Easter there are a diverse range of activities on offer, from graffiti art workshops to sports activities to cookery sessions and there will be free healthy meals provided throughout the programme, ensuring that children and young people stay nourished and energized throughout the day.

To support families with students eligible for free school meals, a voucher of £30 per family is available during half term and will be emailed to families in the usual way on Monday 3<sup>rd</sup> April.

I would remind all students in Year 11 to be using the half term to continue their revision and preparation for the summer examinations, which are due to begin at the start of May. We look forward to students returning on **Tuesday 18<sup>th</sup> April 2023** and would ask you to ensure that students arrive on time for an 8.40 start. Please ensure that students have a knee length skirt and school shoes.

Thank you for your ongoing support this term and I wish you a restful spring break.

Regards,

Rachel Hudson  
Headteacher
