

21st October 2024

Year 7, Liverpool University FunMaths Roadshow, November 2024

Dear Parent / Carer,

I am writing to inform you of an exciting opportunity for your child. On **Wednesday 6th November 2024**, we will be welcoming Liverpool University's Outreach Programme to run a **FunMaths Roadshow** for our Year 7 students. This is a fantastic chance for students to explore mathematics in a fun and engaging way, outside of the traditional classroom environment.

The roadshow will involve interactive activities designed to help students see the real-world applications of maths and inspire them to further develop their skills. It is sure to be an enjoyable and educational experience for all involved.

While this event is being offered at no cost to students, we kindly request a small, voluntary contribution of £3, to help cover the costs associated with bringing this programme to the school. Contributions can be made via ParentPay, cash, or card on the day of the event. Any contribution you are able to make would be greatly appreciated, and will help us continue to provide enriching learning opportunities for our students.

Thank you for your support, and please contact me if you have any questions.

Best regards,

Josh Slade
Head of Maths
