

**21<sup>st</sup> October 2024**

**Year 8, Dragon Quiz Event, November 2024**

Dear Parent / Carer,

I am pleased to inform you that on **Tuesday 12<sup>th</sup> November 2024**, we will be hosting a **Dragon Quiz** for Year 8 students. This fun and educational event will take place in the school hall during Periods 2 and 3 (10.00am – 12.15pm). The quiz is designed to challenge students' mathematical and problem-solving abilities in a fun, competitive environment.

As there is a cost involved in organising this event, we are asking parents for a small, voluntary contribution of £3 per student, to help cover these costs. Contributions can be made via ParentPay, cash, or card on the day of the event. Any contribution you are able to make would be greatly appreciated, and will help us continue to provide enriching learning opportunities for our students.

We are confident that this event will be both enjoyable and beneficial for the students, and we thank you in advance for your support.

Thank you for your support, and please contact me if you have any questions.

Best regards,

Josh Slade  
Head of Maths
