

2nd September 2025

[Register for School Photo Day](#)

Dear Parent / Carer,

We're excited to announce that *Fizz Photography* will be returning to capture our school's photographs on Friday 12th September 2025. To streamline the process and ensure secure access to your child's photos, there is an easy online registration system.

You must register BEFORE school photo day, so please register by following these three simple steps:

1. Visit <https://order.fizz-photography.co.uk> on your phone, tablet or computer
2. Enter code: JR42U2MWWV
3. Enter your child's name, and your contact details

Please note, if you have already pre-registered and created an account for a previous shoot, this will not link to this shoot, pre-registration is required for every shoot.

Once registered, you'll be notified when photos are available for viewing, directly receiving your child's photo(s) via email/SMS. You can view and order photos with ease, from anywhere.

Students in Years 7, 9, and 11 will have individual portraits taken, as well as a tutor group photograph. Students in Years 8 and 10 will have a tutor group photograph only, unless they missed the individual portrait in the previous year.

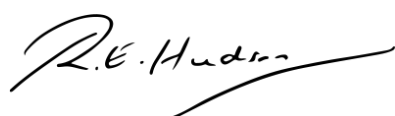

Your details are used solely for sharing your child's personal gallery securely with you, and you can learn more about Fizz Photography's data protection practices [here](#).

You will not be able to register on the day of the photo shoot or beyond. Parents/carers who do not register will receive a manual proof slip in due course.

Please don't miss this opportunity for a seamless picture day experience; pre-register today. For further information or if you have any questions, please contact the School Office.

Thank you for your cooperation and support.

Yours sincerely,

Rachel Hudson
Headteacher
