BLACON
HIGH SCHOOL

Greeting from The Head

Head teacher's Message

We have been so pleased to welcome students back to school this week. All students have attended assemblies where we have shared information about reward points and how they can work together as a team to earn both individual and tutor rewards. This team spirit is something that we are encouraging in each year group and across school.

Students have also been reminded of the key expectations linked to uniform, phones, and engagement in lessons. It has been a superb week and a positive return to school. I look forward to sharing highlights from each week with you through the weekly blog, which will be issued each Friday. We are proud of the achievements of so many of Year 11 who received their results in the summer and will continue to work together to break down any barriers to learning so that all students can achieve more than they ever thought possible, beyond their potential.

Welcome to our new Year 7 students

It has been so good to welcome our new Year 7 students into school this week. They have made a superb start to their journey at Blacon High School, presenting smartly and been ready to learn. We have arranged for Year 7 to go to break and lunch a little earlier for the first few weeks to give them time to settle in. Keep up the great start Year 7.

Staff have been impressed with the way in which students have engaged in their learning and settled so well into the routines of high school.

Please do keep up to date with letters and messages from school through letters sent on the EduLink app.

Just a reminder to all new Year 7 parents to complete the data collection sheet and return to school on Monday so that we have consent to share photos from the first week in school. For further information, please contact the school office.

Congratulations to the Class of 2025

Blacon High School is proud to celebrate the achievements of our students in this year's GCSE examinations.

This year's cohort faced exceptional challenges, having begun their secondary education during the disruption of the Covid-19 pandemic. Despite these difficulties, they consistently demonstrated a strong work ethic, determination to succeed, and a commitment to our school values of *Respect*, *Resilience*, and *Relationships*. Their achievements highlight their individual growth and collective strength as a year group.

We are delighted to celebrate some exceptional individual performances.

Fran achieved an impressive combination of four Distinctions and Grade 9s and will now go on to study Performing Arts at LIPA, Liverpool Institute for Performing Arts.

Ella secured six Grade 9s and three Grade 8s and is moving on to study A-levels in Religious Education, Psychology and Biology at The Royal Masonic School for Girls in Hertfordshire.

While we applaud these outstanding academic results, we also recognise that success takes many forms. We are incredibly proud of every student who has worked hard to reach their personal goals and fulfil their potential.

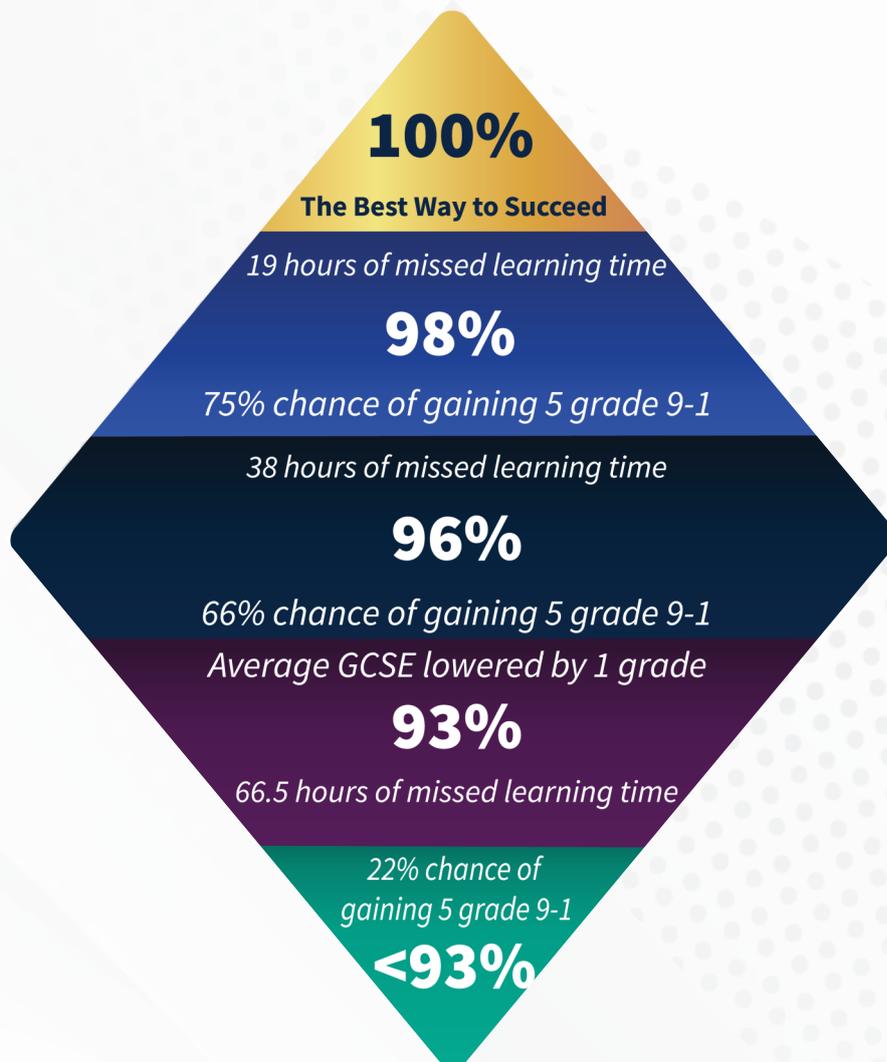

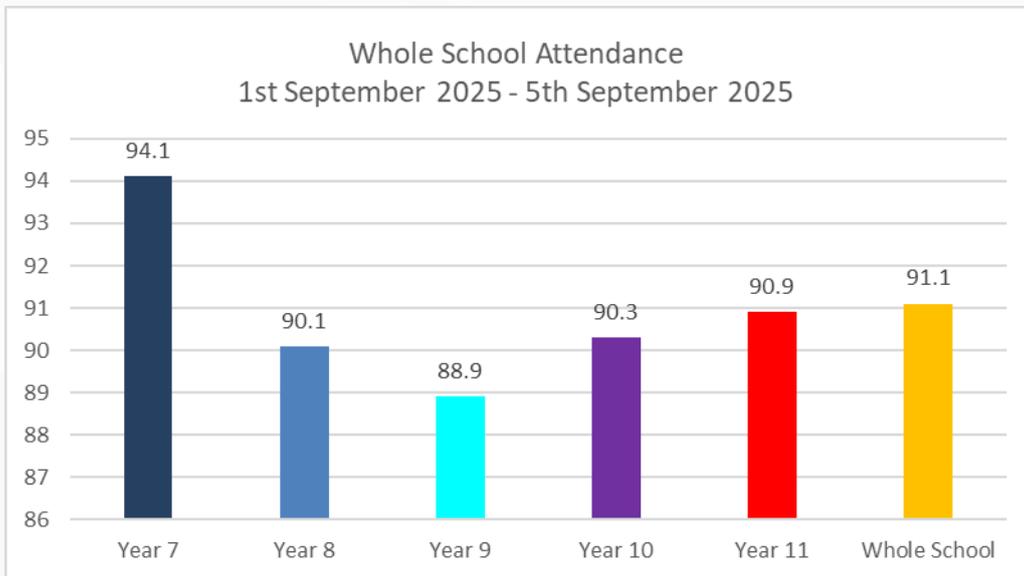

Year 11 Success

Attendance Matters

Please find our attendance for each year group for the first week back.

Our whole school attendance figure for this week is **91.1%**. We ask you to work with us to ensure your child attends each day. Every hour and every lesson counts. All students with 100% attendance, will be entered into a special prize draw at the end of each term.

Thank you for a Donation of Sewing Machines

Our heartfelt thanks to a former student, who has kindly donated some sewing machines to school so that students can engage with textiles. A huge thank you from all at Blacon High School.
