Staying Safe in Our Community

Dear Parents and Carers,

We wanted to take a moment to remind all families to remain vigilant following reports that a few young people were approached by strangers in the Blacon area over the weekend.

While no one was harmed, it's important that we continue to remind our children about how to stay safe when out and about, particularly when walking to and from school or spending time with friends locally. Please encourage them to stay with others, avoid speaking to strangers, and to report any concerning behaviour to the Police straight away.

We are working closely with local authorities to ensure our pupils' safety remains a priority. Thank you for your continued support in helping to keep our community safe.

Regards,

Rachel Hudson

Headteacher
