Press Release – Police

Dear Parents and Carers,

Please see information from the Police regarding concerns from the community in Blacon.

We've recently received a number of calls regarding children encountering suspicious vehicles in the Blacon area. We would like to reassure residents that we are aware of these reports and have been investigating each one.

At this stage in our investigations, there is no suggestion that anything untoward has occurred and the occupants of the vehicles have been in the area for legitimate reasons. We do not believe these incidents are linked.

However, we are continuing to investigate and will be following all lines of enquiry. The reports are well-intentioned, and we take reports of this nature extremely seriously.

We'd like to remind people to avoid sharing speculation on social media but if you do have any concerns please always in the first instance contact the police. You can ring us on 101 or report information at <https://www.cheshire.police.uk/ro/report/> . In an emergency always call 999.

Regards,

Chief Inspector FEGAN – Chester LPU Commander
