

15<sup>th</sup> October 2025

Dear parents and carers,

As you will be aware, there have been concerns expressed on social media regarding adults approaching children in Blacon and another report yesterday.

We have spoken to all students to remind them of what to do if they are concerned when travelling to and from school and how to be safe in the surrounding area.

It is important that we all continue to remind our children about how to stay safe when out and about, particularly when walking to and from school or spending time with friends locally. Please encourage them to stay with others, avoid speaking to strangers, and to report any concerning behaviour to the Police straight away.

The Police are continuing to investigate and will be following all lines of enquiry. If you do have any concerns please always in the first instance contact the Police. You can ring on 101 or report information at <https://www.cheshire.police.uk/ro/report/> . In an emergency always call 999.

Please be assured that children are safe in school and staff are always present before and after school at the gates. Thank you for your continued support in helping to keep our community safe.

Regards,

Rachel Hudson  
Headteacher
