ASPIRE BELIEVE ACHIEVE

24<sup>th</sup> October 2025

**Year 11 Mock Exams – November 2025**

Dear Parents and Carers,

To support Year 11 students with the preparation for their courses, mock exams will be held this half-term between **Monday 3<sup>rd</sup> November and Tuesday 11<sup>th</sup> November**. A copy of the mock exam timetable is attached. Please note that not all subjects that students have been entered for will be examined at this time due to the nature of the course. Students will follow their normal timetable when not involved in exams.

Teachers continue to support students with their work and some entries (or tier of paper) may still be subject to change. Any changes will be communicated to students and parents where appropriate.

Please can you continue to support the school by ensuring your child is present in school, engages with home learning and follows the revision programme provided by subject areas for the exams. Subject areas have provided a list of the topics/units to revise and will make revision materials available via Google Classroom along with links to external revision websites and staff continue to offer extra support through period 0 (before school) and period 6 (after school).

Support and resources linked revision, parental support and mental health & wellbeing can be found on the school website.
