Dear Parent/Carer,

We are delighted to be working with Camps International, offering our students the opportunity to join us on a 4 Week expedition to Kenya in July*, 2027.

Come along to our informal presentation evening where you can learn more and ask questions about this exciting opportunity. We expect the presentation to last around 45 minutes.

Date & Time: **Thursday, 6 November - 18:00**
Location: **Hall**

To ensure you receive an information pack, please confirm your attendance online via this link.

Who are Camps International?

Camps International are award winning global leaders in ethical and sustainable school expeditions. They offer fully supported school expeditions, to industry leading safety standards, across Africa, Asia and Latin America, providing an authentic cultural experience for every travelling student.

Where will they be going and what will they be doing?

Embark on an adventure with real impact on one of East Africa's most amazing destinations. Live and work alongside local people and get involved in a range of sustainable projects, from community development to environmental conservation.

Experience the warm and welcoming culture that Kenya is famous for on this immersive expedition. Spend your days working on sustainable projects with local people, helping to support the local community, wildlife and environment. Get to know the inspiring Mamas of the local village who will teach you traditional skills, meet the world-famous Maasai Tribe and experience the magic of a safari at Tsavo East National Park – one of Africa's top wildlife destinations.

What will they get out of the experience?

This fully supported expedition will provide our students with a unique opportunity to live alongside rural communities, broadening their perspective on the world. It will allow students to push boundaries and step outside of their comfort zone, embarking on a personal development journey. It will enable them to reach and exceed their academic and personal potential, develop valuable life skills and gain key extra-curricular experience highly regarded by universities and employers.

How much does it cost and how will we pay for the expedition?

This all-inclusive expedition costs £4600 and can be paid via scheduled payment plans. Payment plans facilitate both fundraising activities and financial management. All students are encouraged to fundraise the cost, teaching them important life skills such as money management, problem solving and event planning. If fundraising is new to you, then don't worry, the Camps International crew will support you and our students every step of the way.

We look forward to seeing you and your family at the presentation. **Can't make it?** Register anyway and we will send you more information.

Kindest regards,

Blacon High School
