

3<sup>rd</sup> December 2025

**Year 11 Progress Evening, 11<sup>th</sup> December 2025**

Dear Parents and Carers,

The penultimate Year 11 progress evening will take place in school on Thursday 11<sup>th</sup> December between 4pm and 7.30pm. Appointments for the progress evening can be booked through the Schoolcloud system. This is an opportunity to talk to subject teachers and to find out what students need to do in the lead up to the exams, which begin in May. You will receive an email from Schoolcloud separately with login details. If you have forgotten your code then please contact school.

The evening will be an excellent opportunity for parents and carers to learn more about how best to support students with their learning, including strategies and best practice, at this vital time in their education.

There will also be a drop in on the night for student services and SEND with staff on hand to provide information and answer questions.

To support your meetings with subject teachers a number of documents will be published on the Edulink App on Monday 8<sup>th</sup> December.

Mock exam summary

This provides an overview of the content that was examined in the November mock exams and the grades achieved. Please note that not all subjects were examined due to the nature of the course.

Short report

The short report details student targets and predictions. This is a holistic report that identifies the grades that subject teachers think students will achieve in the summer exams based on current levels of attendance, attitude to learning and performance.

The Year 11 period 6 timetable is also included. This identifies the additional support on offer across the curriculum for students to support with revision towards the summer exams.

Should you require any further information or additional support, please visit the school website and find the EduLink One parental guide: <https://www.blaconhighschool.net/attachments/download.asp?file=60&type=pdf>

Hot food will be available on the evening in the diner from 3.30pm-4pm.

Yours sincerely,

Mr Nick Scoltock  
Deputy Headteacher
