

5th January 2026

Dear Parent or Carer,

Year 10 Airbus UK Factory Tour and Workshop – Tuesday 13th January

As part of our ongoing commitment to enhancing students' understanding of STEM careers and the real-world applications of their learning, we are pleased to inform you that Year 10 students have been invited to take part in a trip to Airbus UK. The visit will consist of a guided tour of the factory as well as a practical workshop, giving students valuable insight into engineering, manufacturing, and career opportunities within the aerospace industry.

Students should attend school as usual in full school uniform. As this is a working industrial site, students are advised to wear appropriate footwear. We will depart from school promptly in the morning and expect to return by approximately 3.30pm. Transport to and from Airbus UK will be provided by the school minibus.

A £3 contribution is requested to help cover transport costs. Payment should be made via ParentPay, and we kindly ask that this is completed by **Friday 9th January**.

Students will need to bring a packed lunch for the day. For students who are eligible for Free School Meals and require a packed lunch to be provided, please ensure the relevant option is selected on ParentPay.

If you would like your child to attend, please complete the consent form on ParentPay by **Friday 9th January**.

Yours sincerely

Joseph Pedder Deputy Head of Maths
