Dear Parents and Carers,

### **Year 11 History Revision Guides**

As part of our ongoing support for our Year 11 History students, we are recommending the purchase of the following revision resource:

My Revision Notes: WJEC Eduqas GCSE (9-1) History (ISBN 978-1510403826).

Why do we recommend this guide?

- It provides clear and focused coverage of all key topics from the Eduqas GCSE History specification (including modules such as The Elizabethan Age, Germany 1919-39 and Crime and Punishment).
- It contains exam-style practice questions and tips for developing exam technique, helping students to work through what the question is asking and how to structure answers.
- It includes a revision planner and tasks to help students manage their revision time, test themselves regularly and identify areas for improvement.
- The guide supports students in becoming more independent, resilient and reflective learners, aligning with the aims of the Eduqas specification (which emphasises enquiry, critical thinking and historical communication).
- Having a dedicated revision book means students can work away from screens, reference consistently, and build a revision routine that complements classroom teaching.

You can purchase this revision guide directly on Parent Pay for £8.53 or buy it online. The deadline for purchasing this item is **9<sup>th</sup> February**, but we recommend you purchase this Revision guide as soon as possible so it can be used for revision.

Thank you for your support in helping your child make the most of their GCSE History revision. With the right resources, plan and effort, we are confident our students will be well prepared for success.

Regards,

Sarah Liddell
