

12th January 2026

Year 10 Progress evening – Thursday 22nd January

Dear Parents and Carers,

The Year 10 progress evening will take place in school on Thursday 22nd January between 4pm and 7.30pm. Appointments for the progress evening can be booked through the Schoolcloud system. This is an opportunity to talk to subject teachers and to find out what students need to do to support improvements in progress and attainment. You will receive an email from Schoolcloud separately with login details. If you have forgotten your code then please contact school at admin@blaconhigh.cheshire.sch.uk or by telephone on 01244 371475.

Please note that students who are studying Triple Science will only have the option to book for **Physics**. Parents and carers must book an appointment with Physics to discuss Triple Science as a whole.

The short report from the autumn term will be published on EduLink One next week, ahead of the progress evening. This is a holistic report that identifies the grades that subject teachers think students will achieve in their final exams, based on current levels of attendance, attitude to learning, and performance.

As a reminder, EduLink One is a purpose built parental communication tool in the form of an iOS and Android App with support from a website for those unable to access the apps, which centralises all of the information platforms that we currently use. To register for Edulink One, or for more information on how to use the service, please visit our school website: <https://www.blaconhighschool.net/page/?title=School+apps&pid=72>

The evening will be an excellent opportunity for parents and carers to learn more about how best to support students with their learning, including strategies and best practice, at this vital time in their education. We hope to see many of you there.

Yours sincerely,

Nick Scoltock
Deputy Headteacher
