Official School Communications

Dear parents and carers,

Due to recent misinformation spread online about alterations to our school opening hours, we are getting in touch to remind you of our official channels of communication.

Maintaining good attendance is vital to ensuring that that our students can make the most of their time in school. As such, we strive to keep school open as much as possible, only making exceptions for extraordinary cases where we must consider other factors such as the health and safety of our school community.

If school is closed, you will always hear this from one of our official channels. These include:

- Edulink One: The Edulink app is our primary form of communication with parents and carers. We strongly recommend that you download it, a guide to which can be found on our school website here:
<https://www.blaconhighschool.net/page/?title=School+apps&pid=72>
- Parentpay: <https://www.parentpay.com/>
- Our School Website – Updates can be found in the Latest News section of our home page on <https://www.blaconhighschool.net/>
- Social Media – Notices are often shared on our social media platforms to ensure widespread distribution. Our official social media channels are as follows:
 - Facebook - <https://www.facebook.com/BlaconHighSchool>
 - Twitter/X - <https://x.com/BlaconHigh>

If you are ever unsure about our opening hours, please get in touch with the school at 01244 371475. Otherwise, if you have not received any communications from us, our opening hours remain 8am – 4pm, Monday to Friday.

Regards,

Rachel Hudson
Headteacher
