

24th February 2026

Year 7 autumn report and Progress Evening

Dear Parents and Carers,

The Year 7 progress evening will take place in school on **Thursday 26th February** between 4pm and 7.00pm. Appointments for the progress evening can be booked through the Schoolcloud system. This is an opportunity to talk to subject teachers and to find out what students need to do to support improvements in progress and attainment.

The evening will be an excellent opportunity for parents and carers to learn more about how best to support students with their learning, including strategies and best practice, at this vital time in their education.

To support your meetings with subject teachers the latest report has been published on the Edulink App.

This is a holistic report that how students are progressing based on current levels of attendance, attitude to learning and performance.

Due to staff absence there is no assessment data for ICT for the autumn report.

Should you require any further information or additional support, please visit the school website and find the EduLink One parental guide:
