

26th February 2026

Dear Parents and Carers,

Women in Schools Day Event – 6th March 2026

We are delighted to inform you that your child has been selected to attend the Women in Schools Day event at Chester Storyhouse on Friday 6th March 2026.

This exciting event celebrates the achievements of women across a wide range of industries and aims to inspire young people to think ambitiously about their futures.

Throughout the day, pupils will hear from successful female professionals, engage in thought-provoking discussions, and take part in activities designed to build confidence, raise aspirations and broaden awareness of future career pathways.

We have invited pupils who show enthusiasm, commitment and a readiness to embrace new challenges beyond the classroom. We believe this event will provide a valuable opportunity to broaden their horizons, raise aspirations and further inspire them to pursue their ambitions with confidence.

Travel Arrangements

We will leave school at approximately 9:00am via the school minibus and will return in time for the normal end of the school day at 3:10pm.

Lunch Arrangements

Pupils will need to bring a packed lunch on the day. Students who are in receipt of Free School Meals may order a packed lunch through the school kitchen in advance and take this with them to the event.

Cost

The event itself is fully funded. However, we do need to cover transport costs and would therefore greatly appreciate a voluntary contribution of £3 per pupil, payable via ParentPay. As always, contributions are voluntary, but without sufficient support we may be unable to run similar opportunities in the future.

We are confident this will be a rewarding and inspiring experience for your child and look forward to hearing about their experience afterwards. We ask that you provide your consent through Parentpay, or by returning the permission slip at the end of this letter to Reception.

If you have any questions, please do not hesitate to contact the school.

Yours sincerely,

Miss M Garner
