

10<sup>th</sup> March 2026

Year 11 Progress evening – Thursday 19<sup>th</sup> March

Dear Parents and Carers,

The Year 11 progress evening will take place in school on Thursday 19<sup>th</sup> March between 4pm and 7.00pm. Appointments for the progress evening can be booked through the Edulink App (the school is no longer using the Schoolcloud system which has previously been used to book appointments). Full details of how to book appointments through Educlink can be found by following the link.

<https://www.youtube.com/watch?v=d99kiS3BLWw>

The evening will be an excellent opportunity for parents and carers to learn more about how best to support students with their learning.

To support your meetings with subject teachers a number of documents will be published on the Edulink App on Tuesday 17<sup>th</sup> March.

Mock exam summary

This provides an overview of the content that was examined in the February mock exams and the grades achieved. Please note that not all subjects were examined due to the nature of the course.

Short report

The short report details student targets and predictions. This is a holistic report that identifies the grades that subject teachers think students will achieve in the summer exams based on current levels of attendance, attitude to learning and performance.

As a reminder, EduLink One is a purpose built parental communication tool in the form of an iOS and Android App with support from a website for those unable to access the apps, which centralises all of the information platforms that we currently use.

Yours sincerely,

Nick Scoltock / Deputy Headteacher
