

10th March 2026

Dear Parents and Carers,

We are writing to make you aware of a growing trend we have noticed in Year 7, where a number of students are dyeing the ends of their hair bright colours such as pink and purple.

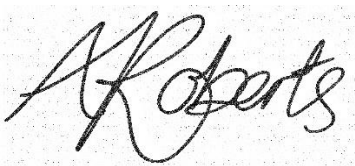

While we appreciate that hair colour can be a form of personal expression, our school uniform and appearance policy states that extreme hairstyles and unnatural hair colours are not permitted. This expectation helps us maintain a consistent and professional environment for all students.

We are therefore asking for your support in ensuring that any hair dye is removed. In the meantime, where this is not immediately possible, students should tie their hair up in a way that ensures the dyed sections are not visible during the school day.

Staff will be reminding students of this expectation, and we would be grateful if you could reinforce this message at home. Our aim is to work together to ensure all students meet the school's appearance standards.

Thank you for your continued support.

Kind regards,

April Roberts
