Year 11 Progress Evening, 19th March 2026

Dear Parents and Carers,

The final Year 11 progress evening will take place in school on Thursday 19th March between 4pm and 7.0pm. Appointments for the progress evening can be booked through the Edulink App. This is an opportunity to talk to subject teachers and to find out what students need to do in the lead up to the exams, which begin in May.

The evening will be an excellent opportunity for parents and carers to learn more about how best to support students with their learning, including strategies and best practice, at this vital time in their education.

To support your meetings with subject teachers a number of documents have been published on the Edulink App today.

Mock exam summary

This provides an overview of the content that was examined in the February mock exams and the grades achieved. Please note that not all subjects were examined due to the nature of the course.

Short report

The short report details student targets and predictions. This is a holistic report that identifies the grades that subject teachers think students will achieve in the summer exams based on current levels of attendance, attitude to learning and performance.

Yours sincerely,

Mr Nick Scoltock
Deputy Headteacher
