

March 2026

Dear Parents and Carers,

I am writing to you regarding the rowing that was due to take place for your child at the start of this half term, in February.

Unfortunately, the lead has been in hospital and hasn't been able to run this programme.

He is recovering fully and this programme will start again after the Easter break.

The groups of students who were taking part in the rowing will have to complete their last few sessions so it is likely your child will begin in May.

I will, of course, inform you when the actual date has been confirmed.

I have also made sure this message has gone to the students too.

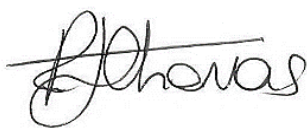

Before the sessions, all Parents and Carers have had to provide permission via a short form. Please would you be able to click on the link below to fill out this form, in preparation for your child starting the programme.

<https://forms.gle/9S1JbAGkh3ubxKo67>

Please accept my apologies on behalf of Queen's Park Rowing Club and I know the students who have been taking part since September have had a great experience. Your child will be enjoying this fabulous opportunity very soon!

Please contact me here at school if you have any questions.

Yours sincerely,

Miss R. Thomas

Assistant Headteacher; Personal Development, Careers and Aspirations.
