

April 2026

Dear Parents and Carers,

**Racing To School – Maths in Action/Careers trip – Wednesday 6<sup>th</sup> May 2026**

As a reward for continued effort I am delighted to inform you of a reward trip to Chester racecourse for Year 9 students. The day will include a tour of the racecourse with range of activities where students will have the chance to see how Maths is used outside the classroom and gain an insight into careers in the racing industry. Following lunch, pupils will have the chance to watch the first few races of the meeting before returning to school.

Students are expected to attend school as normal in their **full school uniform**, and are advised to wear a coat as some activities will take place outside. They may bring a spare pair of trainers with them as the course can be wet depending on the weather. We will leave school promptly **at 9.00am** where pupils will be taken to the racecourse in the school minibus and will arrive back at school by **3.30pm**.

Students are asked to make a **£10 contribution** which can be paid via our ParentPay system or by a barcode payment letter by **Friday 1<sup>st</sup> May**.

Students will need to bring a packed lunch for the day, unless your child is eligible for Free School Meals and would like a packed lunch provided for the day, please indicate the appropriate section on Parentpay.

**If you would like your child to attend, please complete the form on ParentPay by Friday 1<sup>st</sup> May.**

Yours sincerely

Joseph Pedder  
Deputy Head of Maths
