

Headlines - Message from the Head

This week's newsletter celebrates the many achievements and opportunities at Blacon High School. Year 11 students have been developing their Hospitality and Catering skills in preparation for their exams, while Year 10 and Year 11 enjoyed watching *Blood Brothers* at Storyhouse Theatre to support their English Literature studies. Our Year 9 Maths Ambassadors have also been working with the University of Liverpool to lead problem-solving activities for local primary school pupils, demonstrating fantastic teamwork and leadership. We are also proud of our students who represented the school at National Cadets Week and took part in a mock council event, developing their understanding of democracy and citizenship.

As we approach half term, we would like to remind families of the importance of regular attendance, as every day in school makes a difference to learning and progress. School finishes on **Friday 23 October**, and all students return on **Monday 2 November**. Year 10 students should begin thinking about their work experience placements for **26–30 April 2027**, with completed forms due by **1 February 2027**. Families may also be eligible for financial support during the school holidays, including a payment of £90 per eligible child receiving income-based Free School Meals. Thank you for your continued support in helping our students achieve their best, both in and out of the classroom.

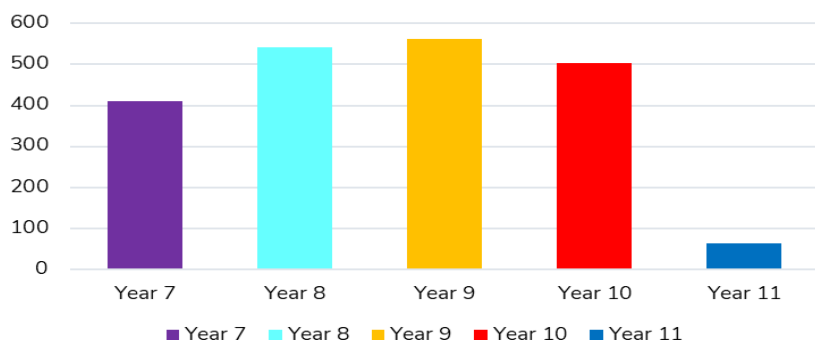

Rachel Hudson, Headteacher

Rewards for this Week

Congratulations to all students for their hard work, and to **Year 9** for achieving the highest number of points this week.

Achievement Points Week 7:

Achievement Points

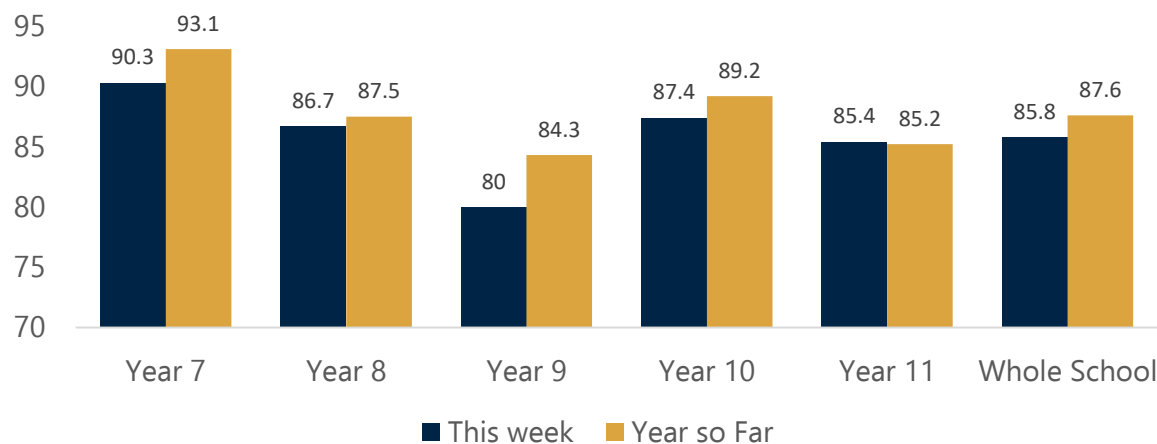

Year	Total Points
7	411
8	541
9	561
10	503
11	65

Attendance Matters – Every Hour, Every Day Counts...

Attendance for the whole school this year is 85.8% with attendance for this week being at 87.6%.

Days off cost grades and affect next steps so please work with us to ensure your child attends.

Whole School Attendance

HIGH SCHOOL
ASPIRE BELIEVE ACHIEVE

10/10 FOR £10

FORTNIGHTLY ATTENDANCE REWARD

Attend every day for 10 school days (one full fortnight) and you'll be entered into a prize draw to win a **£10 Love2Shop voucher!**

HOW IT WORKS

-  Achieve 100% attendance for a fortnight (10 school days)
-  Be entered into the prize draw
-  One winner drawn every fortnight
-  The challenge then resets and starts again!

RESETS EVERY FORTNIGHT!

EVERY STUDENT GETS A FRESH CHANCE EVERY TWO WEEKS.

Miss one fortnight? No problem!
The competition resets every fortnight, giving you another chance to earn your place in the draw.

ONGOING

THROUGHOUT THIS HALF TERM

-  NEW FORTNIGHT
-  NEW DRAW
-  NEW CHANCE TO WIN

☆ Every day counts. Every fortnight is a fresh start. ☆

Student Updates

Year 11

Our Hospitality & Catering class have been working on creating canapés for this year's exam. This year the task is to create a menu for a 4 star wedding, and students have created a tomato and goats cheese bruschetta, whilst honing their presentation skills. Practising their techniques like this gives students ideas for their forthcoming exams.

Next Steps

As our Year 11's think about their next steps, Chester Catholic High School invites all families to their Sixth Form Open Evening on 12th November, from 6.00 to 8.00pm.

Student Updates – Work Experience Year 10

Year 10

On Thursday morning, an assembly was held to launch our Year 10 Work Experience programme, delivered by Mploy Solutions. The assembly introduced students to the exciting opportunity to gain valuable insight into the world of work, helping them develop essential skills, build confidence and explore potential future career paths.

As they are self-placements, we ask parents/guardians to support our students in finding a placement. The work experience programme will take place from **26th–30th April**, giving Year 10 students the chance to experience the workplace, understand employer expectations and put their skills into practice.

School and Mploy Solutions are looking forward to supporting students throughout this important step in their career journey. Work Experience forms will be handed to students in tutor time or can be collected from Mr Hughes (Careers Advisor). All forms must be returned to Mr Hughes when completed. Deadline for hand in (1st Feb 2027).

We wish all Year 10 students the best of luck as they get ready to take on this exciting opportunity.

Student Updates – Blood Brothers

Year 10 and Year 11 Enjoy *Blood Brothers* at Storyhouse Theatre

On 15th October 2026, 45 students from Years 10 and 11 visited Storyhouse Theatre in Chester to watch a performance of Willy Russell's *Blood Brothers*, supporting their studies of the play for AQA GCSE English Literature.

The trip provided students with a valuable opportunity to experience the play brought to life on stage, deepening their understanding of the characters, themes and dramatic techniques used by Russell. Seeing the story performed live helped students appreciate the emotional impact of the narrative, particularly the contrasting lives of Mickey and Edward, the influence of social class, and the importance of education and opportunity.

Students thoroughly enjoyed the performance and were able to engage with the humour, tension and tragedy that make *Blood Brothers* such a memorable and powerful play. The actors' performances helped bring the characters and relationships to life, allowing students to connect with the story in a way that studying the text alone cannot always achieve.

Overall, the visit was an extremely positive experience. It enriched students' understanding of the play, encouraged greater engagement with the text and provided valuable insights to support their GCSE revision. The enthusiasm shown by the students demonstrated the benefits of bringing literature to life through live theatre.

Maths and BEV Primary Schools

Year 9 Maths Ambassadors Team Up with the University of Liverpool

Fourteen of our Year 9 students have been working alongside the Big Maths team from the University of Liverpool, leading problem-solving sessions for children from our BEV primary schools.

It has been a fantastic few weeks of puzzles, teamwork and some brilliant mathematical thinking, and our Year 9s have stepped up as real maths ambassadors for Blacon High.

Welcoming our primary partners

We were delighted to welcome pupils from St Theresa's, The Arches, JH Godwin, Dee Point and Highfield Primary schools.

Working in small groups, our Year 9s guided the younger pupils through a range of hands-on problem-solving challenges. They explained ideas, asked good questions, and encouraged everyone to have a go, even when a problem looked tricky at first. The room was buzzing, and it was lovely to see so many young children enjoying maths and leaving proud of what they had worked out.

Our Year 9s stepped up

Leading a session for younger children is no small task. Our students had to understand the problems well enough to explain them simply, think on their feet, and stay patient and encouraging throughout.

Working with a university team also gave them a first-hand look at where maths can lead. It was a chance to build confidence, communication and leadership skills that will serve them well beyond the classroom. They were a credit to themselves, their families and the school.

Thank you

A huge thank you to the Big Maths team at the University of Liverpool for their time, expertise and enthusiasm. Thank you too to the staff and pupils of our BEV primary schools for joining us. We hope to see many of those young mathematicians back at Blacon High in the future.

National Cadet Week

Last Wednesday, five of our students proudly represented the Blacon High School Combined Cadet Force (CCF) at Chester Town Hall as part of the celebrations for National Cadets Week, hosted by the Lord Mayor of Chester, Councillor Margaret Parker. During the event, students had the opportunity to hear from a range of speakers spanning different generations, all sharing their experiences of cadet service and the many opportunities that cadets can provide for young people.

We are incredibly proud of the way our students represented both themselves and the school. The event highlighted the positive impact that cadet programmes have on developing confidence, leadership, teamwork and resilience. We are delighted that our thriving CCF continues to grow, with over 25 students now actively involved, benefiting from the unique experiences and opportunities that the programme offers. For any students interested in joining, please speak to Mr Gordon. CCF runs every Monday from 3.30 – 5 at school.

Mock Council Event

On 12th October, ten Year 11 students from the Student Leadership Team at Blacon High School took part in a mock council event at Chester Town Hall. The event provided students with a valuable opportunity to gain insight into local politics, democratic processes and the importance of having their voices heard on issues affecting society. During the session, students participated in debates on two topical and thought-provoking issues: Should 16-year-olds be given the right to vote? and Should social media should be banned for under16s? These topics encouraged students to consider different perspectives, evaluate arguments and reflect on the impact that political decisions can have on young people and their communities.

The event enabled students to develop important skills, including public speaking, critical thinking, active listening and presenting reasoned arguments. They were encouraged to engage respectfully with differing opinions and recognise the importance of informed discussion in a democratic society.

Following the debates, students took part in a ballot, allowing them to experience the voting process first-hand, and understand how individual opinions contribute to collective decisions.

Overall, the visit was an enriching experience that strengthened students' understanding of democracy and local government. It also supported Blacon High School's commitment to developing responsible, confident and active **young citizens who are equipped to participate positively in their communities.**

Black History Month

Black History Month

Students have been exploring Black History Month, with the 2026 theme, Honouring Our Communities.

Students have explored:

- Forgotten Histories
- Celebrating Achievements
- Challenging Racism and Injustice

Black History Month shines a light on stories, figures and achievements that may otherwise have been forgotten.

It honours cultural, scientific, political, and artistic contributions from around the world, and showcases role models for everyone.

Highlighting struggles Black communities have faced, it also shows progress made and encourages ongoing work towards equality and justice.

Community News

Families receiving Free School Meals

Support with food during the school holidays through the Crisis and Resilience Fund is now open again for applications.

This support is available for £30 per week per school age child that receives income based Free School Meals if families are struggling to meet these additional costs during the school holidays.

This payment will cover the combined October half term and Christmas holidays period of 3 weeks, and therefore if successful, an award of £90 will be given per eligible child, which will be paid via a payment to your bank account.

To apply or find out more details, you can visit

[School Holiday Support Payment | Cheshire West and Chester Council](#)

If you're not in receipt of Free Schools Meals but need help with a sudden financial crisis, you can apply for our Crisis Payment scheme

We can discuss anything e.g.

**Growing Up Worries - Physical Health - Emotional Health - LGBTQ+ - Changing Schools
Family Worries - Low Mood - Diet and Exercise - Healthy Relationships - Anxiety
Body Image / Body Confidence - Social Media - Self Harm - Bullying**

We do not usually inform your parents, teachers or anyone else if you contact the school nurse. We might inform someone if we were concerned about your safety, but we would usually speak to you first.
Your messages are stored and can be seen by other healthcare staff who follow the same confidentiality rules.
We will not be able to tell you whether your condition is serious or not, but we will be able to tell you what to do next.

HOME LEARNING

Mondays, Wednesdays, Thursdays

P6: 3.10 - 4.00

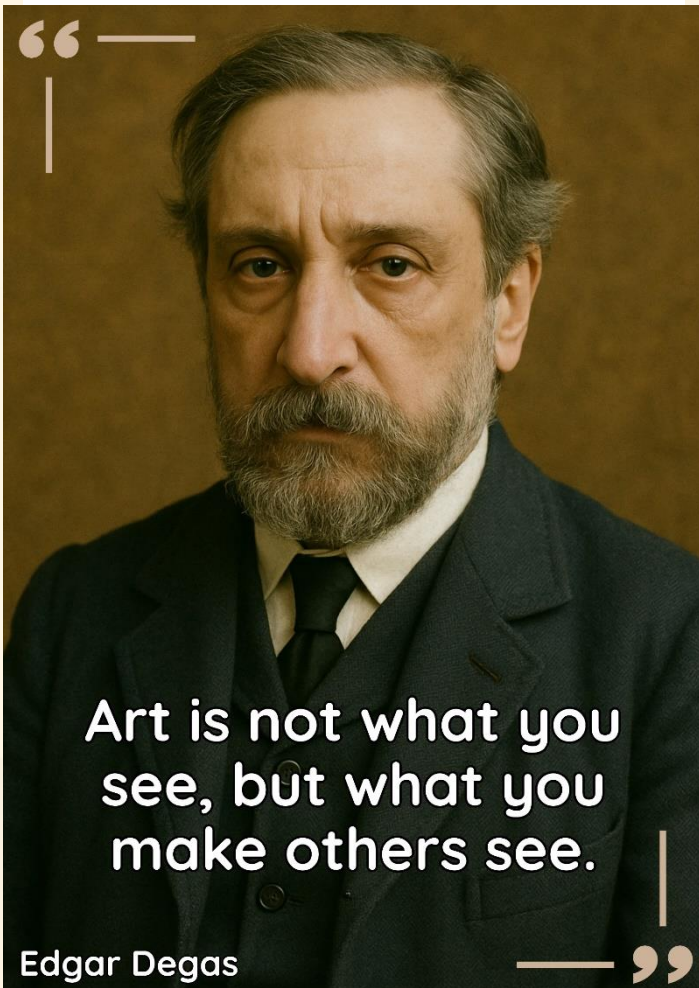

ROOM 202

Need a quiet place to do your home learning? Need a computer? Come and use the room and computers to complete any Home Learning. Staff will also be available if you need help.

Mrs. Lewis

Motivational Quote of the Week

Edgar Degas (1834–1917)

Edgar Degas was a famous French artist born in Paris on 19 July 1834. He was best known for his paintings and drawings of ballet dancers.

Associated with the Impressionist movement, he also created sculptures and pastels. His famous artworks include *The Ballet Class* and *The Dance Class*. Degas passed away in 1917, leaving behind a lasting legacy in the world of art.

Job of the Week

This week's Job of the week is:

Railway Engineer

Railway Engineers deliver projects across passenger and freight networks, making sure all systems run safely. Railway Engineers plan, design, build and maintain railway infrastructure, including track systems, signalling and overhead line equipment

<https://www.youtube.com/watch?v=JXzmW8fUXtc>

Letters Home to Parents

Clear communication with our parents and carers is vital to our school's delivery of effective learning, both inside and outside of the classroom.

We keep a digital archive of all letters that we have sent to parents and carers on our school website. These can be found at the link [here](#).

Letters are sent home via Edulink One and Parentpay, and we strongly recommend making sure you have signed up for these services. Paper copies are always available on request.

A guide to registering to Edulink One can be found on our website [here](#). To sign up for Parentpay, please get in touch at admin@blaconhigh.cheshire.sch.uk
