

Headlines - Message from the Head

As we reach the end of another busy half term, I would like to congratulate all our students on their hard work and achievements. A special well done to Year 7, who achieved the highest number of achievement points this week and to Year 11 for an impressive increase!

It has been a fantastic month for our sports teams, with some brilliant football and netball performances, including cup victories and impressive teamwork across all year groups. We are also incredibly proud of our Maths Department, particularly Miss Price, who is sharing the success of our innovative algebra project with educators from across the UK.

Looking ahead, there is plenty to be excited about next half term, including our much-anticipated Christmas Show on 15th December, further sporting fixtures and exciting learning opportunities such as the Bebras Computational Thinking Challenge for Years 7, 8 and 9.

We are also continuing to make improvements to the lunchtime experience, with paninis now being served from the outdoor catering area and pasta available in the dining hall, helping to make lunchtime smoother and more enjoyable for everyone.

Thank you to all our parents and carers for your continued support throughout the term. I hope you all have a wonderful, restful half-term break, enjoy some quality time together, and return refreshed and ready for another exciting half term at Blacon High School. We look forward to students returning on Monday 2nd November.

Wishing all our families a very happy half term!

Rachel Hudson, Headteacher

Rewards for this Week

Congratulations to all students for their hard work, and to **Year 7** for achieving the highest number of points this week and to Year 11 for the rise in points!

Achievement Points Week 8:

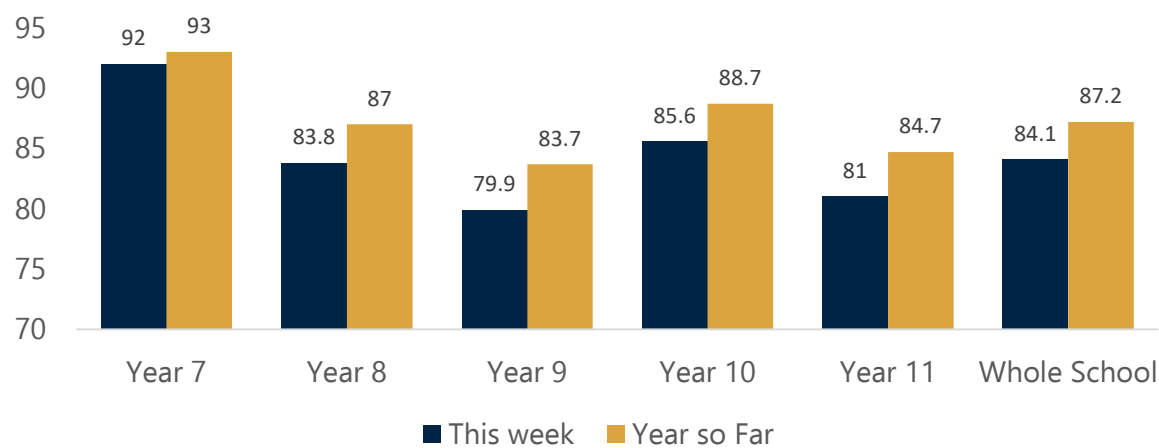

Year	Total Points
7	1113
8	765
9	383
10	741
11	821

Attendance Matters – Every Hour, Every Day Counts...

Attendance for the whole school this year is 84.1% with attendance for this week being at 87.2%.

Days off cost grades and affect next steps so please work with us to ensure your child attends.

Whole School Attendance

Dates for the Diary 2026

23rd October – Finish for half term

3rd December Year 7 Progress Evening

10th December Year 11 Progress Evening

15th December 6-8pm Christmas Show

18th December 12pm – All students finish

Updates

Although we’re only just breaking up for half term, we are already looking forward to our return and the forthcoming festive season!

Our highly anticipated Christmas Show is on the 15th December and our talented musicians are performing on the following dates:

Date	Time	Event	Venue
7/11/26	9-3pm	‘Place’ Performance with Theatre in The Quarter	Storyhouse Main Theatre
26/11/26	5-8pm	Whole School Celebration Evening	Blacon High School Hall
7/12/26	6-7pm	Blacon Community Carol Service	Holy Trinity Church
8/12/26	2-3pm	Blacon Resident’s Afternoon Tea	Holy Trinity Church Hall
16/12/25	6-8pm	Christmas Celebration (Dance, Music, Drama)	Blacon High School Hall

As part of our ongoing efforts to improve the lunchtime experience for students, we would like to let parents and carers know that paninis will now be served from our outdoor catering area, while pasta dishes will be available inside the dining hall and served on plates. This arrangement will help us to manage queues more effectively, provide a smoother service, and ensure students can enjoy their lunch in a comfortable environment. We appreciate your support and look forward to continuing to offer a range of tasty meal options for our students.

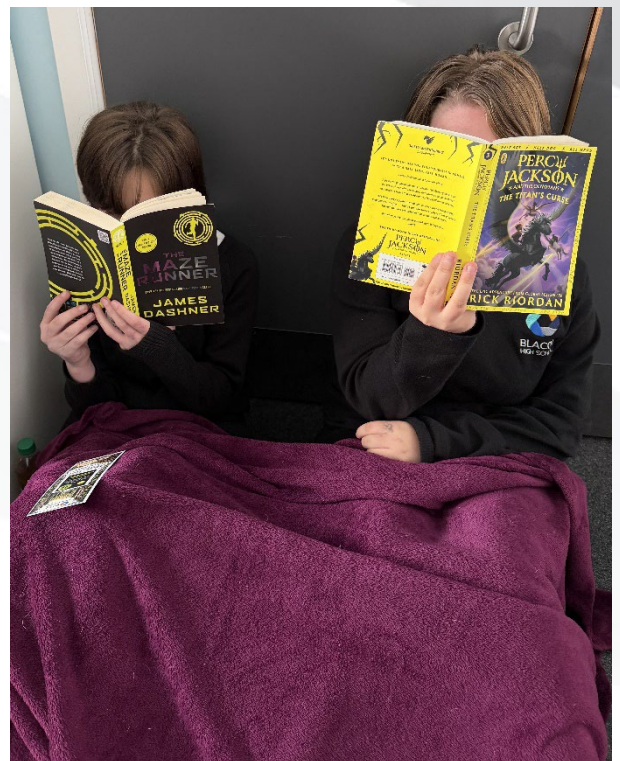

Updates

As Storm Austen rages outside today, some of our students have cosied up in the library with blankets and books, finding the perfect spot to wait out the storm.

Sometimes there's nothing better than curling up with a good book while the storm rages outside!

Student Updates – Sports News

October has been another busy month for our sports teams, with some excellent performances across football and netball, including cup victories, competitive fixtures and plenty of individual and team achievements.

Football –

Year 7 Boys -

The Year 7 boys enjoyed a strong month of football, combining impressive cup performances with positive results in their friendly fixtures.

The team began with a convincing 4–1 victory over Whitby, with Lawson, Miller (2) and Tyler on the scoresheet. They then progressed in the second round of the ESFA Cup with an excellent 3–0 win against King's High School. Lomak scored twice and Jack added the third in a strong all-round performance, with the team keeping a clean sheet.

The boys finished their friendly fixtures with a closely contested 3–2 victory over Upton High School. Jack, Lawson and Miller were again among the goals as the team showed their attacking quality and determination to secure another win.

Year 8 Boys -

The Year 8 boys produced an excellent team performance away in Shropshire, beating Oswestry High School 5–1 in the second round of the National ESFA Cup. Joseph scored twice, with Ezra, Harvey and Lexon also finding the net. A fantastic result that sees the team progress to the next round.

Year 7 and 8 Girls -

Our Year 7 and 8 girls took part in an SSL seven-a-side football tournament against Queen's Park, Bishops and The Catholic High School. Year 10 sports leaders Noah, Jude and Brooke refereed the tournament, doing a fantastic job supporting the event.

The Year 7 girls were outstanding, winning all three matches without conceding a goal. Their defensive organisation and attacking quality made for an excellent tournament. The Year 8 girls also showed their potential, finishing with a hard-fought 1–0 victory over Queen's Park after two earlier defeats. There was plenty of talent on show from both year groups.

Year 9 Boys -

The Year 9 boys had a busy month, starting with an outstanding 7–1 victory over Abbey Gate College. George scored twice, with Levi, Jake, Ruben and Jack also among the goal scorers in an impressive attacking display. The team then faced The Catholic High School in an entertaining, end-to-end friendly. Despite their efforts, they were beaten 6–1, with George scoring the school's goal. They will look to build on the experience gained as they continue their season.

Year 7 Boys B Team -

The Year 7 B team competed in a seven-a-side tournament at Abbey Gate College, playing six matches against other schools. They recorded two draws and four defeats, gaining valuable competitive experience and opportunities to develop their game. Well done to all the boys for their effort and commitment.

Under 13 Girls Chester Cup -

Our Under 13 girls produced a superb performance against Queen's Park High School to win 7–2 in the first round of the Chester Cup. Freya scored an excellent hat-trick, Ava added two goals, and Poppy, Isabel and Amber also found the net. An impressive attacking display and a strong team performance secured their place in the next round.

Student Updates – Sports News

Chester Boys U15s

Well done to Year 10 student Josh C, who represented the Chester School Boys U15s against Trafford in the Cheshire Cup group stage. Josh scored in an exciting 4–4 draw, making an important contribution in a highly competitive match. A fantastic achievement to represent Chester at this level.

Netball

Year 7 and 8 Girls – SSL League

Our Year 7 and 8 girls began their SSL League netball fixtures with some excellent performances against The Catholic High School, Queen's Park and Bishops, demonstrating teamwork, determination and growing confidence on court.

The teams returned to Bishops Blue Coat CE High School for their final matches before half term, producing another evening of competitive netball.

The Year 7 squad showed fantastic determination throughout a demanding set of fixtures. They secured a brilliant victory against Queen's Park, while narrowly missing out in closely contested matches against Bishops and The Catholic High School. Several players also made their competitive netball debuts, and the squad demonstrated significant progress throughout the evening.

The Year 8 team continued their outstanding form, winning every match to maintain their unbeaten record. Their fast-paced play, strong teamwork and quality across the court proved difficult for their opponents to contain. A fantastic achievement and a brilliant way to finish the first half term.

Well done to both squads for their hard work and commitment, and thank you to Bishops for hosting the fixtures.

Year 9 and 10 Girls Netball –

Our Year 9 and 10 girls enjoyed a competitive evening of netball against Bishops and The Catholic High School, recording one win and one defeat. The girls showed plenty of determination and teamwork throughout the fixtures, gaining valuable experience against strong opposition.

Cross Country Enrichment -

During the final week of half term, Key Stage 3 boys and girls took part in a 1.8km around the 3G and MUGA cross-country run during their PE lessons, earning valuable points for their tutor groups towards Sports Day in the summer term.

All students participated, with those excused from running taking on stewarding responsibilities. Everyone showed fantastic effort and determination, with some excellent times recorded throughout the event.

A special well done to Levi and Darcey, who were the fastest boy and girl respectively. Fantastic effort from everyone involved!

Looking Ahead –

After half term, there is plenty more sport to look forward to, including five-a-side and six-a-side football tournaments, basketball and badminton fixtures, alongside further football and netball matches.

Well done to all our students for their commitment, effort and performances throughout October. We look forward to another busy and successful half term!

BLACON
HIGH SCHOOL

Student Updates – Year 7, 8 and 9

Between the 9th and 20th November 2026 students in KS3 (Years 7, 8 and 9) will be taking part in an international Computational Thinking Challenge called the Bebras Challenge. There are 78 countries that take part in the challenge and students will face 15-18 questions to answer within a 45-minute time frame. The students will take part in the challenge during their Computing lessons with Miss Rochell-Gill.

All students will receive a certificate for participation as well as Top 25% in school, Best in School and the opportunity for a Gold certificate which is Top 10% nationally! There will be prizes for the top students in each year group!

Maths – Sharing our Success on a National Stage

Today Miss Price from our Maths Department was presenting at the national **10th British Congress of Mathematics Education (BCME 10)** in Nottingham on alongside Dr Sally Bamber from the University of Chester.

Miss Price will showcase our **BEV Algebra Project**, which helps students build confidence in algebra starting in Year 6 with hands-on "sweets in a cup" visual sessions and activities, progressing through Year 7 into formal equations, and spiralling through to GCSEs in Year 8 and beyond. Their session will highlight the fantastic progress and positive impact this project has had on our current Year 8 students!

At our school, we are continually looking for ways to enrich our curriculum, support smooth primary-to-secondary transitions, and build confidence in key mathematical skills and their Research-Practice Seminar, titled *"Students' experiences of collaborative design research in lower secondary,"* highlights the incredible journey of Blacon's current **Year 8 students** through our collaborative **BEV Algebra Project**.

We are immensely proud of Miss Price and our Year 8 students for being at the forefront of innovative mathematics teaching and sharing our success with educators across the UK!

ASPIRE BELIEVE ACHIEVE

Year 11 Post 16 Options

This morning our Year 11's had the opportunity to hear from the Head of Year 12 of Chester Catholic High Sixth Form, who visited us to share information about the exciting opportunities available to students.

The presentation gave our Year 11 students a valuable insight into life at Sixth Form and encouraged them to start thinking about their next steps beyond Year 11. It was a great opportunity for students to find out more about the options available to them as they begin making important decisions about their future.

Students are encouraged to attend the upcoming Chester Catholic High Sixth Form Open Evening on **Thursday 12th November at 6:00pm.**

The open evening will provide a further opportunity to explore the courses available, learn more about the Sixth Form experience, and find out how studying there could support students' future ambitions.

For further information about the Sixth Form and the courses on offer, please visit the website:

<https://chestercatholicsixthform.co.uk/>

Community News

Throughout the October Half Term, families can access free Kellogg's breakfasts in all Morrison's Cafes everyday.

'Breakfast Clubs' are back to help kids and grown-ups enjoy a free Kellogg's breakfast during October Half Term at all Morrison's Cafés nationwide.

Families visiting their local Morrisons Café throughout the October half term holidays can enjoy a free 'Kellogg's Breakfast', which includes a bowl of cereal and a portion of fruit. The best part, it's not just for kids, adults get to eat completely free too.

• Both kids and adults can choose from much-loved favourites Corn Flakes or Rice Krispies, topped with their choice of dairy or non-dairy milk and a free apple or banana.

The October holiday offer will be available from 12th October to 1st November across all Morrisons Cafes nationwide.

According to the latest stats, people aged between 11 and 17 spend four hours on digital devices during an average day. Obviously, a new year is ideal for fresh starts and renewed efforts – so lots of families are trying to cut down their combined screen time right now, creating more moments to connect with each other and relying less on gadgets to have fun. Our top tips on reducing screen time are for everyone, so you can get your whole family involved in turning over a new leaf this year!

If the weather's decent, spend some time in the garden or go for a walk. Even a stroll to the local shop would do the main thing in getting some fresh air and a break from your screen.

When you're taking a stretch break to do a different activity or a chore, turn it into a game by setting yourself a timer. Can you complete your task before the alarm goes off?

Challenge yourself and your family to take time off from screens, finding other things to do. You could start off with just a day, then build up to a full day or even an entire weekend.

Let your family see you successfully navigating your own screen time. You'll be showing them the way, and it might stop some of those grumbles when you do need to go offline.

Herbivorous critters feast at home where windows aren't allowed. Anywhere your family gathers together, like at the table or in the living room, could become a two-plants room!

As a family, agree specific windows when it's OK to use devices. This should help everyone to balance time on phones or putting off enjoying quality moments together.

Stay aware of how long you've been on your device for. Controlling how much time you spend is potentially stressful, since the Internet – like social media platforms – can also boost your wellbeing.

Set up an oversight watchdog for every new decision — preferably away from industry — that involves free competition for jobs, money or profits.

Research shows that multi-tasking distractions like message alerts and push notifications can chip away at our concentration levels. But devices on "do not disturb" until you're less busy.

But odds certainly thins when the whole family puts their gadgets away and enjoys an evening together: playing a board game, going for a walk, or watching a show.

When you're with friends, try not to automatically free the phones, TV, or other tech. Having company can be loads more fun if your attention isn't being split.

By staying off phones, consoles, tablets and so on just before you go to sleep, browsing or just putting yourself to bed for a while, you give your brain a much needed restful night.

While most designers follow the AIA's only mandatory postgraduate mental health qualifications, they also provide training and support in life skills, communication, problem solving, self-management, stress management and time management. They also provide training and support in life skills, communication, problem solving, self-management, stress management and time management.
