

Dear Parent/Carer

I would like to take the Year 9 students on an Enrichment Day to Chester University. This day will involve the students experiencing a variety of taster sessions from different universities and a chance to walk round a Higher Education fair where students will be able to talk to several universities and colleges about their next steps.

This event is being organised by Higher Horizons which is a government funded programme aimed at increasing interest in Higher Education, specifically university level.

The trip will take place on **Monday 17th July 2017**. Students need to attend school at the **usual time in full school uniform** as they will be going to tutor groups and lessons first. They will then leave school by coach at **9.30am** to get to the Kingsway Campus in Chester for 10am. The event will finish at approximately **2.30pm** so students will be back at school for 3pm. There is no cost for this trip and lunch and transport will be provided.

Higher Horizons ask that parents/carers would consider filling out the form included with this letter. This is purely for data collection and will not be stored anywhere or used for any other purpose. If you could fill out the form and return it to school with the reply slip, it would be appreciated. It is not a requirement to come to the event however.

Should you have any questions regarding this event, please do not hesitate to contact me. Please return reply slip by **Tuesday 4th July 2017**.

Yours sincerely

Miss R Thomas
Assistant Headteacher

.....
Higher Horizons Event – University of Chester **please return slip to Student Services by 4th July 2017**

I give permission for to attend the Higher Horizons event on Monday 17th July 2017.
